

BCWH Surgical Screening Algorithm

May 7th, 2020

What's New?	<ul style="list-style-type: none"> • Update to location and hours of operation for patient testing clinic • Update to pathway for scheduled surgical obstetrical patient to reflect changes to support person presence in OR
Why?	<ol style="list-style-type: none"> 1. RN's who conduct screening phone calls will need to have the most up to date information for patients requiring Covid-19 swab test 2. Pathway update aligns with most recent guidelines to allow support person presence in OR for scheduled OB surgical cases not done under general anesthesia
How does this affect my practice?	Staff involved in pre-surgical screening phone calls should review details of document to
How do I find out more?	<ul style="list-style-type: none"> • See updated document BCWH Surgical Screening Algorithm • Talk to Surgical CNL, CNE or Program Manager
Who do I contact for further information?	Jana Kaiser, Program Manager jkaiser@cw.bc.ca
