COVID -19 Patient & Support Persons
Screening Tool (Form)
April 2, 2020

What's New?	<ul style="list-style-type: none">• Removed content specifying the exact number of support persons as programs within BCCH and BCWH allow for differing numbers of support persons.• Added 'other' column on first page to allow for additional persons to be screened when/if needed.
Why?	<ul style="list-style-type: none">• Improved alignment with number of caregivers/support persons• To identify symptomatic/self-isolating members of the patient's household who are not the support person <p>COVID-19 Patient And Support Persons Screening Form</p>
How does this affect my practice?	<ul style="list-style-type: none">• Be aware of these changes and familiarize yourself with program specific visitor and caregiver/support person restrictions.
Who do I contact for further information?	<ul style="list-style-type: none">• For access to Policy & procedure documents search ePOPs• Contact your area clinical leaders, operational leaders (program managers) educators or professional practice leaders for more support
