

**BCWH Maternal Newborn Program**  
**Care for the Infant of Mothers Who Are COVID-19 Positive**  
**Algorithm**  
**April 15 2020**

<b>What's New?</b>	<p>Care for the infant of mothers who are COVID positive algorithm outlines the order in which care for the mother and baby is to occur. Includes signs and symptoms to watch for in baby while at home (aligns with BCCDC guidelines).</p> <p><a href="#">Care For the Infant of Mothers Who Are COVID-19 Positive</a></p>
<b>Why?</b>	<ul style="list-style-type: none"> <li>• Guidance to provide the health care provider and team on how best to manage care as per BCCDC guidelines</li> <li>• Provides monitoring guidelines for exposed asymptomatic infant on postpartum</li> </ul>
<b>How does this affect my practice?</b>	<ul style="list-style-type: none"> <li>• If caring for a COVID positive mother review this algorithm and speak with your CRN, senior practice leader, educator and or program manager.</li> <li>• Consultation with pediatrician required to support care for infant.</li> </ul>
<b>How do I find out more?</b>	<ul style="list-style-type: none"> <li>• .Consult with infection prevention and control practitioner</li> <li>• Consult with CRN, senior practice leader, educator and or program manager</li> </ul>
