COVID-19: Positive and Presumed Positive CPR Protocol for Children

March 31 2020

| | |
|--|--|
| What's New? | Applies to all areas at the C&W campus where code blue response is available for children. |
| Why? | <ul style="list-style-type: none"> • New protocol for COVID-19 pandemic. • CODE BLUE team to don Droplet and Contact and Airborne PPE (gloves, mask, eye protection, N95 respirator) for COVID-19 positive patients or patients under investigation. • Aligns with Infection Control standards. |
| How does this affect my practice? | <ol style="list-style-type: none"> 1. Be aware and familiar with this protocol. 2. Providing resuscitation is an advanced skill. 3. Use of this protocol is intended for teams who provide resuscitation |
| How do I find out more? | <p>Read the protocol here.</p> <p>COVID-19: Positive And Presumed Positive CPR Protocol For Children</p> |
| Who do I contact for further information? | Ask your program educator, charge nurse or program manager. |
