

**Department/Program(s)**  
**Doffing (Taking off) Personal Protective Equipment (PPE)**  
**Peer Checklist**  
**April 9 2020**

<b>What's New?</b>	<a href="#">Doffing PPE Checklist</a> Additional moments of hand hygiene. Aligns with <a href="#">COVID-19: PPE Use - Application Of PPE Emergency Prioritization Policy</a>
<b>Why?</b>	Peer support is recommended to ensure doffing (taking off) PPE is performed in the correct order, with easy access to supplies (waste and laundry bins), and that correct hand hygiene is performed.
<b>How does this affect my practice?</b>	Practice with a peer and use the checklist !
<b>Who do I contact for further information?</b>	<ol style="list-style-type: none"> <li>1. Speak with your supervisor/manager/charge nurse/infection control practitioner/senior practice leader/professional practice leader or other clinical leads</li> <li>2. Connect with your program's educator and attend education huddles.</li> <li>3. Page the Infection Control Practitioner at: <b>Local 2161 or pager 41-02411 Monday to Friday 0800-1600 or <a href="mailto:IPACS@cw.bc.ca">IPACS@cw.bc.ca</a></b> After Hours page the Infection Control Officer through paging 2161</li> </ol>
<b>How do I find out more?</b>	See the front page of ePOPS <a href="http://policyandorders.cw.bc.ca/">http://policyandorders.cw.bc.ca/</a> for COVID-19 Resources and check regularly for updates and added resources. <ul style="list-style-type: none"> <li>• All Practice Updates are available under the Practice Update section.</li> </ul>
