BP LOCATION - RA, LA																						
RESPIRATION RATE																						
O2 SATURATION																						
O2 RA / LPM, %																						
O2 MODALITY																						
SEDATION SCALE																						
WEIGHT Kg																						
INITIALS																						
DESIGNATION																						

SEDATION SCALE

S = Sleeping (easy to rouse, NORMAL sleep)
0 = None (awake, alert)
1 = Mild (occasionally drowsy, easy to rouse)
2 = Moderate (frequently drowsy, easy to rouse)
3 = Severe (somnolent, difficult to rouse)

O2 MODALITY

NP = Nasal Prongs
SM = Simple Mask
NRB = Non Rebreathing Mask
HFFM = High Flow Face Mask
TM = Trach Mask
TP = T-Piece
FT = Face Tent
