

## BIOCHEMICAL GENETICS FORMULA ORDERS STANDARDIZATION - ORDER ENTRY

### OVERVIEW

- ▶ Orders for biochemical genetic formula order entry in CST-CERNER will NOT be live for the CST-CERNER launch on February 26th.
- ▶ Biochemical genetic formula orders will not be available in the biochemical genetics powerplans

### KEY PRINCIPLES

- Biochemical genetic FORMULA ORDERS have not been validated in CST-CERNER
- Providers must write orders on the paper chartlet at the patient bedside until orders are validated in CST-CERNER
- Unit clerks must SCAN provider orders to the Formula Room ([formularoom@cw.bc.ca](mailto:formularoom@cw.bc.ca)) using the legacy/downtime process
- Dietitians must submit the legacy electronic requisition via email to the Formula Room
