

# CST PRACTICE UPDATE

## GETTING YOU READY FOR THE TRANSFORMATION

### SEIZURE PROTOCOL - BCCH STANDARDIZATION – TERMINOLOGY

OVERVIEW

- ▶ Updated Seizure Protocol for BCCH
- ▶ Reflective of language in updated seizure algorithm and CST Cerner
- ▶ *Seizure Log* now *Seizure Observation Log*

### KEY PRINCIPLES

- Documentation focusing on event activity details and avoiding diagnostic language
- Protocol embeds language reflective of latest *Status Epileptic Protocol*
- Aligns CST Cerner order: *Seizure Observation Log*

Improve quality and consistency of care

Gather better data to improve health system planning, research and proactive care
