

## OMNICELL WITNESS ON ISSUE STANDARDIZATION – MEDICATION

OVERVIEW

### At Go-Live

- ▶ All Omnicells across the site will require a witness' fingerprint when removing Controlled Substances (minus Benzodiazepines and Other Targeted Substances (BOTS))
- ▶ This will not apply in surgical areas across C&W:

| BCWH      | BCCH  |
|-----------|-------|
| Gyne OR   | ACU   |
| Gyne PSCU | T3 OR |
| T2 OR     | T4 OR |
| T2 PACU   |       |

### KEY PRINCIPLES

- Aligns with Canadian law to prevent drug diversion
- Reduces narcotics discrepancies

 Reduce errors and adverse events

### SUPPORTING DOCUMENTS (SHOP)
