

## Ordering a General Pediatric Diet

1. On the **Orders** tab, select **+Add**. Search for **Pediatric Diet**. (“Diet Pediatric” is for a different site). You do not need to select an age range. Standard texture for age will be provided unless a texture modification is selected.

Search:   Type:

- Diet Pediatric
- Diet Pediatric (1-3 years, Soft and Bite-Sized 6)
- Diet Pediatric (4-8 years, Regular and Easy to Chew 7)
- Diet Pediatric (6-8 months, Pureed 4)
- Diet Pediatric (9-12 months, Finger Food, Minced and Moist 5)
- Diet Pediatric (9-13 years, Regular and Easy to Chew 7)
- Diet Pediatric (14-18 years, Regular and Easy to Chew 7)
- Diet Pediatric Diabetes New Diagnosis
- Pediatric Diet**
- Pediatric Diet (1-3 years, Soft and Bite-Sized 6)
- Pediatric Diet (4-8 years, Regular and Easy to Chew 7)
- Pediatric Diet (6-8 months, Pureed 4)

3. Click **Sign**.

**Note:**

Your diet will appear in Orders without an age range displayed:

---

<input checked="" type="checkbox"/>		Pediatric Diet	Ordered	01-Mar-2022 12:25 PST, Dining On Call
-------------------------------------	---	----------------	---------	---------------------------------------

---

If your diet appears in Orders with an age range then that means it is a diet order for another site and C&W Kitchen will not receive your diet order message.
