

C&W CST

Practice/Work Change Process

STAGE 1

IDENTIFY PRACTICE/WORK CHANGE

Have you come across any processes that are a change from current state?

CONTACT CWCSTPRACTICE@CW.BC.CA

If you notice any potential practice/work changes, contact the C&W Clinical Readiness Educators.

STAGE 2

STAGE 3

INVESTIGATION & VERIFICATION

The C&W Clinical Readiness Educators will investigate and verify if indeed a practice/work change is required.

PRACTICE UPDATES/ POINTERS & CLINICAL SUPPORT DOCUMENT REVIEW

Peer mentors will be supported in developing any materials to support practice/work changes and identifying if any clinical support documents need to be revised or created.

STAGE 4
